**CANDIDATE STATEMENT**

My name is Charlene Naef and I am seeking a seat on the Tribal Council. I am a descendant of the Hillman Family. I was raised in Orleans & also raised my 4 children there. I've been lucky enough to have sat on the Election Committee, currently sitting on the enrollment committee and very proud to say 23 plus years on the Housing Committee, where I received from NAIHC the Virginia Kizar Award in Tennessee for my dedication to Indian Country. I have worked for Trinity Hospital for 17 years, as a CNA. Mostly with Elders. I am proud to be Karuk & like serving our people in ways to improve their life. We have some very good employees working for the Tribe & I'd like to see more Economic Development.
